

# BEN LINEY

## STILL GROUND

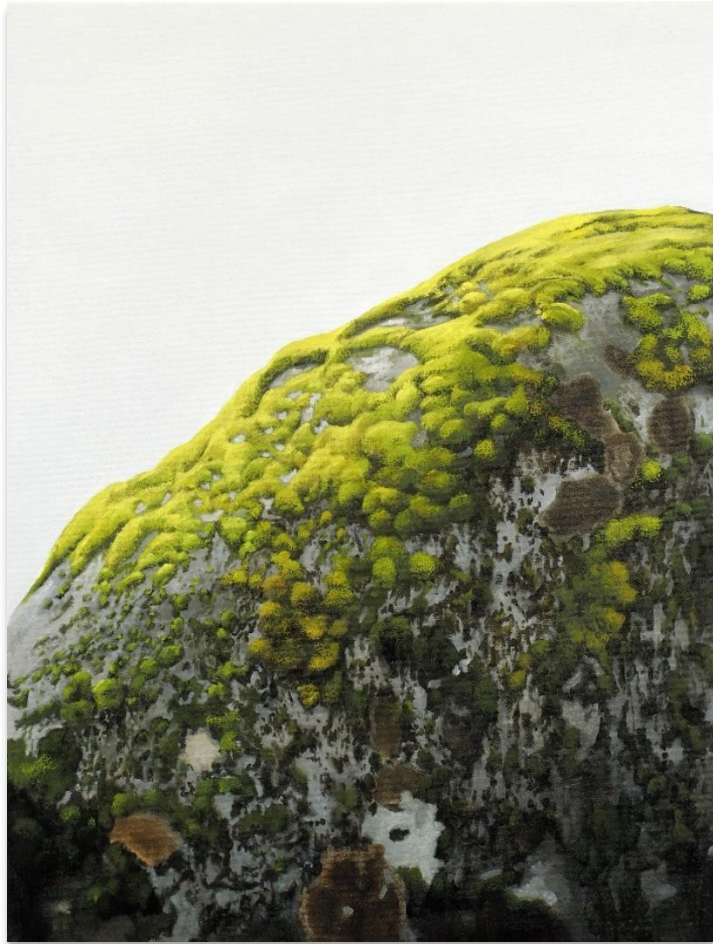

Ben Liney is an Australian artist working on the lands of the Bunurong. Ben often draws inspiration from his explorations across Country, approaching his practice with the intent to capture new perspectives of place, rendering scenes of terrain with intimate realism. His oil paintings delve into the untouched beauty of the landscape, exploring how it reflects the inner workings of life within us.

Focusing on rock formations set against openly expansive neutral backgrounds, Ben reveals the subtle details of the natural world, inviting a dialogue that encourages reflection on the relationship between the viewer and their interactions with the environment.
